

The Ambassador of the Argentine Republic

takes pleasure in inviting you to

“Conversations at the Argentine Residence”

to take place in May 2005

This will be a good opportunity
to listen to two distinguished Argentines:

Dr. Eugenio Díaz Bonilla,

Executive Director for Argentina & Haiti,
Inter-American Development Bank
and

Dr. Eduardo P. Archetti,

Professor of Social Anthropology at
the University of Oslo

in matters of international interest such as
the role of the Inter-American Development Bank
and the role of international sports
in the Argentine identity

Please find enclosed the Programme
