## TANGO

**Tutor: Pastor Jurado**

It takes two to tango... but no partner required – you will meet people in the class to dance with. Capacity is limited to 15 women and 15 men. Make your bookings in advance! The atmosphere of the workshop is friendly and the participant enrolment is limited to ensure personal attention.

The sensual qualities of Tango seem to have a powerful effect on everyone who's heard of it. Come and find out what it is... The basics of Tango are so simple and compelling that, once you try it, it's very easy to get hooked.

### Course Aim:

Tango is a personal and a social dance, a culture, a way of life... This workshop aims to teach people the feeling of tango, a first approach to communication between partners and the basics to start feeling comfortable on the floor.

### Structure:

This workshop is divided in 3 stages:

1. technique (body control, couple communication)
2. movements (travelling around space, respecting the other couples)
3. putting it all together to get nice tango dancing

### Target:

No age limit.  
No experience of dance required.  
Please wear comfortable clothes (slippery soled shoes are best)
